Mrs. A. Balcombe,  
Secretary,  
National Belgian Shepherd Dog Council (Australia),  
5 Roberts Road,  
Cranbourne, Vic., 3977.

Dear Mrs. Balcombe,

## Application for Approval of Intervariety Breeding

At the May ANKC Conference the 'Application for Approval of Intervariety Breeding' submitted by your Council was reviewed.

It was resolved that the Belgian Shepherd Dog Council be advised that they are to meet all requirements of the current breed standard including that pertaining to the interbreeding of varieties. Furthermore, the ANKC wishes to advise your Council that the National Belgian Shepherd Dog Breed Council will be the only avenue to the ANKC for applications to interbreed varieties.

Yours Faithfully,

Felicity Wischer  
Secretary ANKC
