Dear Mrs. Marchevsky,

I have just received your fax dated today and I am terribly sorry that you were still waiting on an answer to your previous fax which you state that you sent on the 10th July. I did not receive that fax. However, in relation to your enquiries -

The applications for Intervariety Matings will be handled and considered by the National Breed Councils Liaison Committee Working Party which will subsequently make recommendations to the ANKC.

With Kind Regards,
Yours Sincerely,

Felicity Wischer
Secretary ANKC
