Dear Ms Lund

Inter-Varietal breeding of Belgian Shepherds

I write to draw your attention to a change in policy with respect to the inter-varietal breeding of Belgian Shepherds. This change is to bring the policy in accordance with the ANKC policy and will take effect as of the date of this letter.

Effective from today 12 January 2005 any inter variety mating of Belgian Shepherd Dogs other than Groenendaels to Tervuerens born before a new policy is declared cannot be registered.

This policy will remain until such time as there is a decision made by the ANKC to vary the policy.

Yours faithfully

N R Morton
Secretary
