

10% of Championship titles earned in Qld were from Intervariety bred dogs.

7 Belgians that were progeny from Intervariety breedings earned Championship titles in Queensland 2010-2016 out of 69 Belgian Championship titles awarded. That is, almost 10% of titles went to Intervariety Bred dogs. 6 Champions and 1 Grand Champion. Details of the intervariety bred dogs are attached below.

This is taken from the list that Sally Scott pulled down from the Dogs Qld records. There are a number of typo errors in this listing, which have been left as downloaded.

Whilst this does not demonstrate the need for Intervariety breeding, it demonstrates that these dogs born of intervariety breedings display excellence of breed type as determined by the judges who awarded them challenges.
