MOTION

I, Shane Thomas, being a Director of ANKC Limited hereby move by written resolution that ANKC Ltd endorse the motion that ANKC Ltd Regulation Part 6, Clause 9.11 be amended as follows:

Currently reads:

9.11 Belgian Shepherd Dog (Groenendael); Belgian Shepherd Dog (Laekenois);

Belgian Shepherd Dog (Malinois) & Belgian Shepherd Dog (Tervueren).

Effective from 1st February, 2016 the Inter variety mating of Belgian Shepherd Dogs shall only be conducted if they have been approved by ANKC Ltd in accordance with FCI breeding requirements, and the submission for the Intervariety mating has been received by ANKC Ltd at least 6 months prior to the proposed mating.

The only allowable submissions for Intervariety matings are:

Groenendael to Tervueren, Tervueren to Malinois, Laekenois to Malinois, and the pedigree of both the Sire and Dam must be 3 generations clear for the variety. (10/12, 7.2.1) (Amended 10/14, 7.2.2) (Amended EM#111, 06/15)

Be amended to read:

9.11 Belgian Shepherd Dog (Groenendael); Belgian Shepherd Dog (Laekenois); Belgian Shepherd Dog (Malinois) & Belgian Shepherd Dog (Tervueren).

1. Judged separately with each variety receiving separate Challenge Certificates.
2. Inter variety breeding is approved. As per Royal Society of St Hubert, Belgium (Country of Origin) Breeding Recommendation Sept 2017 – Groenendael x Tervueren, Tervueren x Malinois, Malinois x Laekenois. No other Intervariety combinations allowed.
3. Each individual progeny registered as per "coat/colour type"

Rationale:

In accordance with current FCI provisions (2012) and Country of Origin recommendations (September 2017), the wording in ANKC Ltd Regulations Part 6 Clause 9.11 is no longer correct and should be updated with immediate effect.'

Signed

A handwritten signature in black ink, appearing to read 'S. Thomas', written in a cursive style.
