**BSDCQ Health Register - current to 16th June 2017. All submissions welcome - to be posted or e-mailed to secretary@bsdq.com. P/H = Penn Hip**

**HIGHLIGHTED entries are updated or new**

Any medical/veterinary information linked to in this register does not in any way replace veterinary advice. If you suspect your dog is unwell please seek veterinary assistance immediately.

The Websites in this register do not necessarily reflect the views held by the BSDCQ committee. They are provided as a guide only.

Some results have been sourced historically from NSW & VIC health registers in a reciprocal arrangement

Eye tests required for advertng purposes will only be recognised by ACES or similarly recognised Ophthalmic Specialist vets

Currently there is no DNA test available for Epilepsy
