

## RESULTS - Belgian Shepherd Dog Club of Qld Herding Trial weekend 30-31<sup>st</sup> March. 2019

Congratulations to all members and friends who participated in the BSDCQ trials on the weekend.

Thank you to everyone who entered, with quite a few of our entrants coming from regional Qld and NSW, we had quite an accumulation of kilometres travelled.

Well done to those that obtained qualies and/or titles and are now looking forward to the next level. Even if you weren't successful this weekend - keep up the great work, you will get there next time.

Thank you to everyone that contributed in some way: grounds and/or stock provision; course setup; stock handling; judging; scribing; etc. - it is very much appreciated. Photos courtesy Natalie Kirkwood – many thanks!
