	Critique:	11 years. Finer in bone. Masculine head with good length of muzzle. Good parallels. Would like a touch more stop. Nice dark eye. Nice small ears, well set. Could have a little more neck and chest. Well angulated front and rear. Good topline. Moves well for age, but could be a little bit tighter in front, but acceptable for age. Hope you have many more years with this dog.

Good mask. Nice dark eyes. Nice small ears, well placed. Would like a touch more neck and chest. Good angulations. Level topline. Moves well behind, a touch wide in front. Well presented.
